

Last year was a time warp, now it's time to get
BACK TO THE FUTURE!

Our industry is back and better than ever. In fact, Roger Ebert gives the bricklaying industry a resounding double thumbs up review for 2021 after the exclusive screening of "6 Factors that will influence construction this year." [Click here](#) to read and give your review!

Economics with*
MASONRY.

- Competitively Priced Material
- Local Manufacturers
- Product Longevity
- Beautiful & Versatile Materials
- Energy Efficient

Design & Build with EBA Contractors.

Safety is our best friend & CDC has your best shot.

The CDC recommends construction workers receive the Covid vaccine after "frontline" essential workers. The guidelines are believed to cover all types of construction workers, regardless of project or trade. This option could roll out as early as next month! *Stay Safe...we can't wait to see you again in person.*
